 - a. *Public comments provide the public the opportunity to speak to agenda items or other relevant topics and for the board to listen to those comments. It is not a time for the board to respond to comments or engage in dialogue with the public. Public comment will be a part of every agenda. Comment time will be limited to three minutes per individual representing themselves. Equally, comment time will be limited to three minutes for a representative for a group or organization. Please note, the channel of communication, depending on the issue of concern, begins at the school level, then the Supervisory Union level, then the School Board. The school principal has an open-door policy, as does the Superintendent. We appreciate all questions, comments, and feedback, and we look forward to hearing your views through the proper channels.*
